IRREPLACEABLE HERITAGE

50 AT

Can ordinary citizens and community members preserve the places that are important to them?
Please join us for a moderated panel discussion as a diverse lineup of preservation advocates come together to share their experiences trying to save a historic skate park, protecting a historic house, commemorating a lost neighborhood, and preserving Seminole history and cultural resources. Panelists Althemese Barnes, Paul Backhouse, Shannon Bruffett, Cicero Hartsfield, and Craig Snyder will share their insights on some of the broader preservation issues that communities face.

Complimentary hors d'oeuvres and beverages. Program is free, but seating is limited. Please reserve your space at https://grassrootspreservation.eventbrite.com or call (850) 487-1902.
