The Historic Capitol is more than just a building.

It is an enduring symbol of Florida’s government. Within its walls, almost 150 years of political history unfolded. Standing on the same site since 1845, the Historic Capitol has served as a witness to Florida’s past. We invite you to visit this special place.

Education

The Florida Historic Capitol Museum provides civic and historic preservation education to visitors of all ages. Our programs communicate the importance of democracy and citizenship and are carefully coordinated with Florida’s educational standards.

Annually, the Museum hosts more than 17,000 students in groups from all over Florida, engaging them with Florida’s history and civic education programming. In Issues in the House of Representatives, just one of these popular programs, students are given the opportunity to experience a mock legislative session in the Historic House Chamber. Please visit www.flhistoriccapitol.gov to make a reservation for your group today!

Exhibits

The Florida Historic Capitol Museum features at least two temporary exhibits a year. These exhibits have highlighted a variety of diverse topics including historical figures such as Andrew Jackson and Napoleon Bonaparte Broward; social issues like public health and civic engagement; and popular culture and icons including the Girl Scouts, election and campaign paraphernalia, and souvenirs and keepsakes from historic Florida attractions.

Events

The Museum also hosts a number of special events throughout the year. In addition to speakers and panel discussions, events include trivia nights with Florida-focused questions, after-hours wine & cheese tours highlighting exhibits and the building’s architecture, and classic films shown on a big screen in the Capitol Courtyard.

Event and exhibit sponsorships are available. These valuable public relations opportunities offer businesses the chance to enhance visibility and strengthen ties with Museum visitors, community leaders, and government officials.

Rentals

Rent the Historic Capitol for your next event. The Museum’s rental space is ideal for receptions, cocktail hours, small meetings, and lectures. Your guests will mix and mingle within a beautiful historic setting—a perfect venue for an unforgettable event. There are several areas available to rent including the historic Senate Chamber and the upper rotunda beneath the beautiful stained glass dome. For more information, visit www.flhistoriccapitol.gov.

Membership

Your membership provides vital support for the Museum’s educational programs and exhibits illuminating Florida’s political history; promoting civic education, engagement, and public service; and supporting the continued preservation of Florida’s historic capitol building—a structure listed in the National Register of Historic Places.

Museum members receive exclusive invitations to exhibit previews, openings and other special events, as well as to our annual Members-only appreciation reception.
