Join us at the Florida Historic Capitol Museum as we debut our new StoryWalk® experience. Follow along our historic hallways to read *Antsy Ansel: Ansel Adams, A Life in Nature* by Cindy Jenson Elliott and enjoy free craft activities and snacks. The StoryWalk® is recommended for early readers and young history enthusiasts aged 3 – 10, and the illustrations and program activities can be enjoyed by all.

This book complements our temporary exhibition *Florida's Capitol in Focus*. Both the exhibition and the StoryWalk® will be on view through February 2026.
